

**CHS is seeking a self-employed psychologist/psychotherapist to join its Children, Adolescents & Family clinical team**

**Requirements:**

**Educational training**

- Minimum three years of recognised postgraduate training at Master's or Doctorate level in clinical psychology or psychotherapy, including a theoretical component and clinically supervised practice
- A specialisation in child and/or family therapy
- Ongoing engagement in continuous professional development activities

**Professional experience**

- Five years clinically supervised professional practice as a clinical psychologist or psychotherapist
- A minimum of one year full-time clinically supervised practice with children and young people

**Professional registration and insurance**

- Registration with La Commission des Psychologues
- Registered as self-employed
- Professional insurance in place

### **Competences and personal attributes**

- Team spirit and ability to work collaboratively with other team members
- Ability to be responsible for therapy cases autonomously
- Capacity to carry out thorough psycho-educational assessments, including administration and interpretation of cognitive ability and academic achievement tests
- Proficient spoken and written English. Additional languages are a plus
- Availability to attend weekly clinical team meetings on Wednesday mornings

**To Apply:** Please send your **CV and covering letter**, with the subject line "Children's Team Vacancy: Psychologist/psychotherapist", to: [vacancies@chsbelgium.org](mailto:vacancies@chsbelgium.org)

*Training certificates, professional references, and proof of professional registration will be requested.*
